## St. John's Family Donation Form

### Donations for Silent Auction

Please list each donated item separately along with the item's fair market value. The fair market value is the price that a buyer is willing to pay and a seller is willing to accept. It is the responsibility of the donor to estimate the fair market value rather than the agency receiving the gift. Thank you for assisting us. If there are more than five items donated, please continue your list on the back.
