

Dear Parent/Guardian,

Thank you for considering St. John the Baptist Catholic School for your student(s) for the 2021-2022 school year. St. John's is known for its quality education.

As a graduate of Catholic Schools, I know the importance of a Catholic school education and the impact it has on your future. We look forward to having your students join our St. John's family.

I would like to share six important facts about St. John's Catholic School:

1. First and foremost — we are a Catholic school with a strong Catholic identity. We believe that Christ calls us to follow Him and share our life with Him. Our goal is to foster a life-long commitment to Christ and to use our faith to make the world a better place one child at a time. Students participate in many faith-building activities in religion class and by celebrating Mass together.
2. Four words best describe our faculty and staff: dedicated, caring, hardworking, and passionate. They are honored to be teachers for your student!
3. Our teachers believe in providing the students the best academic program possible. We want our students to have all the skills and tools necessary to be successful in our world today. With this in mind, we follow the Archdiocesan of Birmingham Curriculum.
4. Our students are engaged and focused on their education. Students are given a challenging and relevant curriculum. Students also engage in many extracurricular activities which help to create well-rounded students.
5. Parents and guardians who enroll their children at St. John's are involved and supportive. They routinely give of their time and talents through our Home and School Association.
6. On average, more than 90% of our graduates attend our area Catholic high school, where they continue to excel in service, leadership and academics.
