- 1 Get sponsors
- 2 Do the math
- 3 Celebrate helping the kids of St. Jude

**We're raising money  
for St. Jude!**

**September 8th-26th**, our school is hosting a St. Jude Math-A-Thon. We're solving math problems and asking for pledges so we can help kids with cancer and other life-threatening diseases.

Join our team and start fundraising to help us support St. Jude Children's Research Hospital. The funds you raise go toward making sure families never receive a bill from St. Jude for treatment, travel, housing or food — so they can focus on helping their child live.
