ENDING SOON!

St. Jude Math-A-Thon

Help students refine their academic skills while teaching them that they have the power to help others.

We're raising money for St. Jude!

September 8th-26th, our school is hosting a St. Jude Math-A-Thon. We're solving math problems and asking for pledges so we can help kids with cancer and other life-threatening diseases.

St. Jude Math-a-thon is a service learning program that teaches students about mathematics and the importance of helping others. Your involvement is a big part of making the St. Jude's Math-a-thon Fundraiser a success. Please promote this event by sharing the link to your online fundraising page via email and on social media. If you would rather not create an account, but would like your student to get involved, please email me at nmcinnish@stjohnb.com.

Thank you for your continued support.
