The seven themes of CATHOLIC SOCIAL TEACHING for Children

This week we will begin our study of the Catholic Social Teaching: The Dignity of Work and the Rights of Workers. Work is more than just a way to make a living. It is a form of continuing participation in God's creation. Colossian 3:23 says, "whatever you do, work at it with all your heart, as working for the Lord, not for human masters." The dignity of work and the basic human rights of workers must be protected and respected. We are able to do this by having the right to productive work, decent and fair wages, the organization of unions, the right to private property and economic initiative.

Congratulations to our 2nd Quarter Collection winners! Mrs. Zoeller's 4th grade, Mrs. Songy's 4th grade, and the PreK classes were treated to a special treat to celebrate their collection!

Our 3rd Quarter Collection is currently underway. Be sure to send in your Box Tops before their expiration date. If you send them in, remind your child to place them in the classroom collection bag! The school recently received a check for \$547 because of your efforts in supporting this program. We have more work to do. Be diligent in saving and sending in your Box Tops. Take a look at the Box Tops Bonus App to find more ways to earn money for our school!

The Tyson A+ Rewards program is ending at the conclusion of this school year. Please be on the lookout for any rogue labels hiding in your kitchen. The Tyson A+ labels have a value of 24 cents per piece; they add up quickly!
