The seven themes of CATHOLIC SOCIAL TEACHING for Children

This week we continue to learn about the Catholic Social Teaching: The Dignity of Work and the Rights of Workers. Work should be the setting for personal growth, where many aspects of life enter into play: creativity, planning for the future, developing our talents, living out our values, relating to others, and giving glory to God. In Matthew 20: 1-16, Jesus tells the parable about the workers in the vineyard. This story reminds us that all workers should be paid a just and living wage.

Our St. John's 7th and 8th grade student athletes continue to compete as part of the Falcon Catholic Middle School program. There are several team and individual sports taking place in the Spring, with some students competing at the JV and Varsity level.
