03/09/17—Family MATH Night (please see information on second page.)

03/13/17 to 03/17/17—SPRING BREAK—NO SCHOOL

Ash Wednesday and AFTERCARE: Please note there is a mass at 5:30pm on Ash Wednesday, March 1st. Traffic will be handled by parish volunteers and the parking lot will be very crowded and eventually closed. If you are picking up a student after 5:00pm, we will have something you can place in the dashboard of your car so those directing traffic will permit you to enter the property. Please pick up the identifying sheet next Monday or Tuesday in after care. My advice is to pick up a little early, if at all possible. Thanks for your cooperation!

The following students will have their artwork displayed at the Huntsville Museum of Art for Youth Art Month from February 26 through April 30. CONGRATULATIONS!

Logan Bryars Brolin Cozzolino Mackenzie Carney

AHSAA/Middle School Meeting

JPII will host an information session for the transition of our Catholic middle schools to the AHSAA. Coaches and administrators will be present to provide information on the program and answer any questions. The meeting will be from 6:00 p.m. - 8:00 p.m. in the Multipurpose Room at JPII.

3rd Annual St. Patrick Day Family Parade and Pet Walk

A fun celebration for all!

Sunday March 12, 2017 2:00 PM

Walk from Discovery Middle School to BJHS and Back

Approximately 3 Miles Total

Costumes and Irish Dress Encouraged.

Donations of nonperishable food items are requested to benefit the **St. Vincent de Paul Food Bank** or **The Madison Animal Rescue Foundation (MARF)**. **Life South Community Blood Center** will also be present to collect blood donations.

In case of rain donations will still be collected.

Sponsored by 007 Venture Scout Crew of the St. John the Baptist Catholic Church.

Venturing is a youth led program, of the Boy Scouts of America, where young women and men engage in activities of their choice ranging from community service, travel, hiking, kayaking and much more. The program is open to those between 13 and 21 years old. Please contact us at 007venturmadison@gmail.com if you want more information.

Math

St. John's

Second Annual

Family **MATH** Night

Last year, St. John's math teachers, under the guidance of the administration, organized the first Family Math Night for our students and families. We still remember the happy faces of students and parents competing and trying new ways to solve math problems. Thank you again to all who were able to attend and to those who have sent us feedback. This year, we look forward to seeing all of our families participate in another fun and successful Family Math Night!

Who: All SJS families K4-8th

Where: Classrooms, library, and gym at SJB

When: Thursday, March 9th, 2017 6:00-7:00

What: Families visit classrooms together and participate in the activities that the math teachers offer. A list of activities, including details regarding grade levels and concepts, will be available that night. You will have the opportunity to read through it and decide what looks good for your family! We suggest you start in your oldest child's homeroom.

Goals of the night:

- Promote family time focused on math. Parental attendance and interest in this type of activity reinforces for our students the value and importance of their math education.
- Provide an opportunity for students to show off their own math skills and to guide and help their parents and siblings.
- Connect busy parents, students, and teachers with each other to build an even stronger community.
- Provide families with ideas for activities and games they can play at home to further enhance math learning.
