The seven themes of CATHOLIC SOCIAL TEACHING for Children

This week we continue to learn about the Catholic Social Teaching: Solidarity.

The principle of solidarity focuses on how we are all one big human family. It is important to remember that we are more similar than different.

Pope Francis says, "The word "solidarity" is a little worn and at times and poorly understood, but it refers to something more than a few sporadic acts of generosity. It presumes the creation of a new mindset which thinks in terms of the community and the priority of the life of all over the appropriation of goods by a few."

Please remember to bring can goods on Mass day. This helps supply the St. Vincent de Paul food pantry. Thank you for your generosity.
