ITBS Standardized Testing for

3rd thru 8th Grades

We will begin testing on Monday, April 29th and it will continue thru Thursday, May 2nd. Testing will begin each morning at 8:00am and will finish by noon each day. Here are things you can do to help your student prepare:

Arrive at school on time or early. Being at school on time during testing helps students have a calm start to their testing day and ensures that they are prepared. Students that arrive **AFTER** testing has started that morning will not be permitted to enter the classroom until the first scheduled break.

Eat a healthy breakfast. Eating a nutritious breakfast will help students to be focused on the task of doing their best on the test instead of worrying about when they can eat.

Please do not schedule appointments during testing. When students are out for a portion of testing, they are required to make it up later in the week.

Present testing in a positive light. Remind your students that testing is an opportunity to see what they have learned, and what they still need to learn. Testing is about helping students to make the most of the gifts God has given them.

KITE DAY—April 26th

K4 thru 5th are asked to have the kite already assembled. See parent email for more details.

The seven themes of CATHOLIC SOCIAL TEACHING for Children

Our Catholic Social Teaching is Care for God's Creation. We show our respect for the Creator by our stewardship of creation. Care for the Earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living our faith in relationship with all of God's creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored. (from the United States Conference of Catholic Bishops, Washington, D. C.)
