St. John's School would like to say "THANK YOU" to the Knights of Columbus for helping with traffic on Election Day. The students were kept safe and sound and traffic moved well because of your hard work. Thank you to all our Knights who volunteered!

Congratulations to all of the St. John's soccer teams on another wonderful season! Over 100 students played soccer this year from K4 to 8th grade. Great job, Crusaders! Thank you to Moises Ramirez, Warren Siao and Lisa Durant, the coaches of the 7th and 8th grade team; David Butler and Tracy Boyajian, the coaches of the 5th and 6th grade team; and Jason Canale, Fred Kummer, and Diona Cozzolino, the coaches of the 3rd and 4th grade team. And thank you to the many additional coaches of the eight K4, K5 and 1st/2nd grade teams, as well as Doug Ormsbee and John Willis for organizing. It was a great year and we appreciate all your help and support!

The Crusader Club will be hosting a free basketball coaches clinic for any past, current or future St. John's basketball coaches. This event will be lead by JP2 coaches and will take place on November 17th. This is a great opportunity for any parents new to coaching or considering coaching in the future. Please contact Sheri Ross (sross101@gmail.com) for more information and to reserve a spot.

It's getting cold outside and we have St. John's sweatshirts that can be worn during the school day. Please email Kelly Dimitri (kelly_dimitri@hotmail.com) if you are interested in ordering a sweatshirt or any Crusader Club merchandise.

Counselor's Corner:

Student Service Opportunity Tuesday, December 6, 2016

Each year the school's participation with the NCAC (National Children's Advocacy Center) practicum day is a community service project that provides an opportunity for children to help contribute to their community. This project is a 10-minute Practicum to allow professionals who are in training to practice some of the skills that they have learned, such as rapport building and developmental assessment by talking with a child about a fun topic of interest.

Students between the ages of 5 to 12 years old are asked to participate in morning and afternoon sessions. Drivers are needed from 8:00 a.m. to 11:45 a.m. and 12-3pm. If your child can participate in this service activity, please refer to the "Service Opportunity" email for permission form. An e mail went out this week regarding the details of the program.

If you can be a driver for this field trip, please be sure that you have up to date YP.

This is a great opportunity for our students to serve their community!

To sign your student up, be a driver for this event, or get more information please contact Dr. Melanie Cole mcole@stjohnb.com

All students participating must bring a sack lunch and all 5-year-old students must bring their car seat.

PLEASE RETURN YOUR PERMISSION FORMS TO THE SCHOOL BY Thursday, November 17, 2016
